

KISHAN JETHLOJA

Morbi, Gujarat | jethlojakishan0@gmail.com | [LinkedIn](#) | [GitHub](#)

Computer Engineering student passionate about coding, software development, and solving algorithmic challenges. Experienced in Java, Python, SQL, HTML, CSS, and JavaScript, with practical exposure to building dynamic and responsive web applications. Enthusiastic about contributing to impactful tech projects and advancing as a full-stack developer. Strong grasp of fundamental computer science principles, including Object-Oriented Programming, Database Management Systems and Data Structures & Algorithms.

PROJECT EXPERIENCE

SplitWise – Expense Sharing WebSite

- Designed and developed a web-based expense management system using Django, enabling users to create groups, add shared expenses, and track balances.
- Implemented authentication, equal and percentage-based expense splitting, and real-time settlement tracking using Python and SQL.

Online Shopping Website

- A Java-based backend system that handles product management, cart operations, and order processing.
- Fully functional with RESTful APIs, tested using Postman for adding items, updating carts, and placing orders.

Personal Portfolio Website

- Built a responsive portfolio website using HTML, CSS, and JavaScript, showcasing projects, certificates, and skills with modern UI/UX and responsive design.
- Integrated EmailJS API for functional contact form with validation and error handling to enhance user interaction

Learning License Testing System

- Developed a web-based Learning Licence Testing System using PHP, HTML, and CSS.
- Enabled user registration, login, and automated evaluation of multiple-choice tests on traffic rules.

EDUCATION

Bachelor of Technology(B.Tech.) in Computer Engineering

Aug 2023 - May 2027

Dharmsinh Desai University, Nadiad, Gujarat

- Relevant Coursework: Database Management Systems, Data Structures, Algorithms

Higher Secondary Certificate (HSC)

Jun 2022 - Mar 2023

Nalanda Vidhyalaya (Morbi) , Gujarat Secondary and Higher Secondary Education Board

ADDITIONAL INFORMATION

- **Languages:** English, Gujarati, Hindi.
- **Certifications:** DataBase Management System - NPTEL (Qualified as Top 2 % over participation) .
Design and Analysis of Algorithms - NPTEL.

TECHNICAL SKILLS

- **Programming Languages:** C, C++, Java, Python, JavaScript
- **Web Technologies:** HTML, CSS, PHP, JavaScript
- **Database Management:** MySQL, SQL
- **Concepts:** Object-Oriented Programming (OOP), Data Structures & Algorithms, DBMS
- **Soft Skills:** Problem-Solving, Critical Thinking, Team Collaboration
